

ADDENDUM TO 2023 TRASH CONTRACT BID PACKET INSTRUCTIONS

All prospective bidders are requested to provide separate bids for each proposal on the following items:

1. **Bulk Item Tags.** Exeter Borough would like to provide an option for its residents to purchase a Bulk Item Tag for the disposal up of bulk items of trash, which do not conform to the regular weekly garbage pickup. Bidder's are requested to provide a cost to pick up bulk items, separate from their bid to provide weekly collection services.
2. **Extra Bag Tags.** Exeter Borough recognizes that there are occasions when residents may need to dispose of more than three bags of garbage. Such residents would have the option of purchasing an Extra Bag Tag. Bidders are requested to provide a cost for each extra bag beyond the three allowed each week.

PLEASE INCLUDE THE ABOVE ALONG WITH YOUR BID SUBMISSIONS BEFORE THE ESTABLISHED DEADLINE.

THANK YOU!

EXETER BOROUGH COUNCIL.
