This permit grants permission to the owner of the above referenced property to install a building sewer and to connect it to the sewer system owned by the Borough of Exeter (hereinafter referred to as the Borough). All work must be done in accordance with the **Borough's Rates, Rules, and Regulations**, dated September 1991, and revised from time to time. The sewer permit fee is \$1,100.00. No person shall engage in plumbing work upon any building sewer unless he possesses a separate permit issued by the Borough to do such work.

Before final acceptance of this building sewer is given by the Borough an inspection and tests (as determined by the Borough to be necessary) must be completed by a representative of the Borough, and the construction of the building sewer and the connection to the service lateral must be completed to the satisfaction of the Borough.
